

“Walk This Way” MMPC Event Oct. 8, 2022 Feedback on Valley St. (North Field) Path & Landscaping

Comments (written on Feedback Board 10/8/22):

- I love the idea of adding a garden! Bill G.
- This is a no brainer, it will really enhance the park
- What a great idea to bring even more charm , nature, and beauty to our neighborhood!!
- I love this park and strongly support all efforts to maintain and improve it!!!
- Great plan! Love the native plants used. Could more natives be used?
- Thanks for all the planning. Whatever we can do for the visitors that find this park a needed respite on their journeys.
- Thanks, of course! Would like to maintain some views through to Municipal Bldg. Also, would love attention to the appearance from the sidewalk and street—the view from passersby. [in another hand]: I agree!
- So great! People walk there anyway and this would make it safer and more accessible and beautiful! Love that it was part of the original plan for the park! Susan B.
- Excellent idea!
- Love this! Great idea!
- This is awesome! Would love to see native plants for butterflies and birds etc. and little info/education signs for them? Also maybe a pedestrian crossing on Valley where the new path meets Park?
- I love the plan! I’d like to see the path extend to the playground.
- The new path is a great idea! Would love a true loop of the park when my kids ride their bikes. Kara
- I love the new path. Additional plantings would be a great upgrade. Matt
- Love the plan. Walk here 2x a week and it will be much more usable and attractive with new design. Thanks!
- Great idea, thanks for your suggestion. The park will be better. Vic
- More lilacs!!! Great job!

Additional comments (submitted through website 10/8 through 10/27/2022):

- This plan promotes safety, more of a community feel, and will bring more folks to interact.
- This plan is a fantastic idea. The landscaping thoughtfully planned and it will only enhance any park experience.
- I love this idea!
- Thank you! This would certainly enhance the park for all the community.
- I strongly support the work of Conservancy.
